

Dear Valued Customer,

Thank you for taking the time to review the latest edition of the Bear Supply 365 Catalog.

At Bear Supply 365, we understand how important it is to have a supplier you can count on. The products you use every day keep your buildings clean, your teams prepared, and your operations running smoothly. That is why we take pride in being a dependable source for janitorial, facility, and maintenance supplies throughout the NYC area.

Our goal has always been simple: make it easier for our customers to get the products they need at competitive prices, with reliable service and personal attention. From trash liners and paper products to cleaning chemicals, PPE, and everyday facility essentials, we work hard to offer a product mix that helps you save time, stay stocked, and keep your standards high.

We are always looking for ways to improve what we offer and how we serve our customers. As your needs change, we want to grow with you. If there is something you do not see in this catalog, please reach out to us. We will always do our best to find the right solution for your business.

What matters most to us is building real relationships with the people we serve. We know this business is about more than products — it is about trust, consistency, and being there when it counts. That is the standard we hold ourselves to every day.

We truly appreciate the opportunity to serve you and look forward to being a part of your continued success.

Sincerely,

Bear Supply 365
